REPORTS

Treasurer: Steve Kennedy.

1. Annual Report presented. Bottom line, we need at least 5 new members in the next 6 months or we will have to sell one plane.

Maintenance: Steve Kennedy .

1. 5205R nagging problem with “over voltage light”: replaced the alternator, the voltage regulator, several wires and still had the problem. As of today, Sterling believes it is a bad voltage sensor.
2. 5205R Annual inspection went poorly. The IA found 2 and ½ pages of squawks. At that point we stopped the inspection and he would not be available for a re-inspection. We made a determination to have Lisa Hawkings-Tyler look at squawks, and then she can also do the Inspection. We will schedule with her in a week or so.

Membership: Carol Earley. Currently 10 members.

- Carol will be looking for advertising opportunities.

V. OLD BUSINESS

VI. NEW BUSINESS.
